

REMARKS

In response to the Communication from the Office dated July 15, 2003, applicant hereby submits a revised supplemental amendment. In their previous amendment, applicant had indicated that their prior Request for Continued Examination (RCE) had cancelled claims 1, 3, 4, and 6-16. This was incorrect, as applicant's prior Request for Continued Examination had actually cancelled claims 1, 3, 4, and 6-15, and added new claims 16-37.

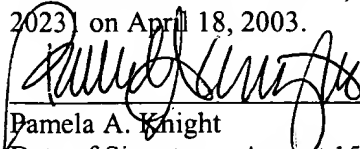

Applicant hereby requests amendment of the application to add new claims 38-48. Applicant respectfully requests consideration of the newly submitted claims.

Support for the above amendments may be found at page 7, line 21 to page 9, line 10.

If there are any questions regarding this paper, or the application as a whole, the Examiner is encouraged to contact the undersigned attorney so that allowance of the claims can be facilitated.

CERTIFICATE OF MAILING

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail, postage prepaid, to: Commissioner for Patents, Washington, D.C. 2023 on April 18, 2003.
